ShoeTips – The Last Thought Before Your Shot

ShoeTips is a revolutionary new swing thought reminder system designed to help golfers of all skill levels master their mental game while they play. ShoeTips helps golfers calm their minds and concentrate on the one or two thoughts they want to remember as they prepare to swing—boosting their confidence and enjoyment, and lowering their scores. The reminders will be in full view on your shoes as you address the ball. To use them on your golf bag instead, simply insert the base clips through the slots on our enclosed BagTag, either way ShoeTips is “Permitted under the Rules of Golf”. ShoeTips’ 18 familiar swing thoughts were chosen based on input from golf pros and sports psychologists. The labels are easy to change and organized into 3 categories—Focus, Feel and Technique. Can’t find the tip you want? Write your own “custom tips” on the reverse side of the labels with an indelible marker. For more information visit ShoeTips.com. Available on Amazon.com for \$19.99.
